**Pre-Final Grades (what you would have for you final grade *if* you didn't take Quiz #6 and did no more participation, discussion posts, or extra credit) are calculated by weighting:**

- 10%: Discussion Posts (% complete out of 8 required)
- 15%: Participation/Attendance
- 15% each Quiz 1-5

**Your score may change (probably for the better!) if:**

- You take Quiz #6 and you score higher than one of your current lowest scores, which allows you to drop your current low score
- You submit any Quizzes you have not yet turned in (each of these get an automatic 10% deduction for late submission – but better a 90% ceiling than staying at the 0% floor!)
- You complete more discussion posts, either to finish the 8 post requirement, or to get extra credit
- You submit one or two extra credit essays on the TV episodes we watch in class.

**I *don't* want to fail any of you!**

- *If you submit all of your work, and take extra credit opportunities, you can pass this class.*
